BBQ BUSINESS FOR SALE – Best Offer

2' Bottomless Pits

All jigs needed to assemble (doubles of most)

All material lists with pricing and instructions

Train Cookers: Material lists

Shish-kabob Stuff: This is a money-maker: a cheap and unique design to market.

Smokers: Aluminum stock

Trademark for Buzzard

Logos: Brass & Digital

Website pages & Domain name: www.buzzardbbq.com

Spray & dip tanks for painting

Programs for Plasma cutter for several projects

Contacts for Fabrication and Materials

Equipment: see Inventory List

This is an amazing opportunity for a small BBQ business. At this time I am open to offers for the equipment and business to set someone up in any capacity they want. I would highly recommend taking it all!

Time is critical at this point, as I have a lot of people who just want certain pieces of equipment. Please give a call any time!

Thanks,
David Shellenberger
